FEBRUARY 1, 2018 MIDNIGHT. [Detailed
abstract submission information \(pdf\)](#)**

Conference Description

The third USF-PAMA Conference is focused on research and education of healthy practice and longevity of performing artists' life cycle. Its scope extends to intersecting arts, medicine, ethics, and medical humanities. The Conference is designed for health professionals, performing artists and educators, visual artists and educators, health science educators, medical humanities specialists, and other generalists who are interested in the intersection of the performing arts and health sciences. CEU for PTs and CME for physicians will be applied for.

Keynote speakers

Bill Dawson, MD, (PAMA, Northwestern University)
Daniel Hall-Flavin, MD (Mayo Clinic, Oxford)
Juan Sanchez-Ramos, MD, PhD (USF)
Tom Welsh, PhD (PAMA, IADMS, FSU)
Virginia Wilmerding, PhD (PAMA, IADMS, UNM)
